Wentworth Student Government
January 20th, 2011
I Board of Trustees, Beatty Hall
OUR MISSION:
The purpose of WSG is to act as a conduit between the students, faculty, and staff at Wentworth Institute of Technology; to encourage responsibility through democratic self-governance; to work with the administration to influence educational programs, student life, and administrative management of the Institute; and to further the interests of the student body.

I. Opening
II. Attendance
III. Special Guest
   a. Michele Rosenthal – COF
      i. Want student input
      ii. How can we improve life across the COF?
      iii. Cross Registration
         i. The information is on the COF website
         ii. Any student who have met their pre-req. are eligible.
         iii. Currently is a process, back and forth getting signatures and approvals.
         iv. Mass Art/WIT cross-registration can be frustrating, their pass/fail class do not count towards their degree
         v. The process for cross-registration is currently a large hassle to students having to run back and forth for signatures.
         vi. Wentworth does not have information regarding the fullness of classes.
         vii. Wentworth does not advertise the cross-registration much
         viii. Positive note: taking the classes themselves have been a positive experience for most.
         ix. Possibly changing the registration dates to work together
         x. Classes starting at different times making some people miss the first week of classes.
         xi. Information and dates for registration are posted on facebook as well as the website.
